Dear Ms. Bennett:

I am a Cleveland Park resident interested, as many of my neighbors, in retaining the residential character and liveability of Cleveland Park. I am concerned about the PUD high-rise office development. I support the position of the Cleveland Park Historical Society to limit PUDs to 40 feet and 2.0 FAR.

Along with many others, I feel that it is very important to the city as a whole to preserve functional residential neighborhoods. These are a great asset to Washington, D.C. and care should be taken to keep them inhabitable and pleasant locales in which to live.

Sincerely,

S. Kim Blackmon
