1350 Pennsylvania Avenue, NW  
Washington, DC 20004

Dear Ms. Bennett:

Again, thank you for your careful study in the past of several of our area's concerns. I want to stand in support of Mr. Tersh Boasberg's letter to you of April 4, 1988 concerning:

Case No. 86-26  
Cleveland Park Overlay Zone  
PUD Guidelines

I, too, ask that the Cleveland Park Historical Society position be adopted to limit PUDs to 40 feet and 2.0 FAR in order to protect our existing commercial historic buildings.

As a local pastor I would especially like to call your attention to Section IX. "Housing Vis A Vis Office Space." As one who walks the neighborhood, I can say that we need the kinds of housing options requested. Housing, by all means, needs to be encouraged over office space!

With appreciation for your consideration,

Sincerely,

Richard L. Dodds
