

ZONING COMMISSION

CASE No. 86-260

EXHIBIT No. 47

2829 Conn C. W.
Wash D.C. 20008

September 15, 1987

My dear Chairman Williams,

Conn Ave stores must
have strong & immediate
protection from the serious
problems that arise out of
schemes to force out &
close neighborhood stores, which is
ubiquitous in the District of Columbia.
You are, of course, acquainted
with the impending closing of
the Safeway Grocery store serving
Woodley Park & Cleveland Park.
The hardship & unfairness resulting,
particularly to those without cars
& more particularly the elderly are
devastating. Please take action.

WJ 9/16

Sincerely,
Edith H. Smith
