RE: Case 86-26

Dear Ms. Bennett:

Please take action to limit PUD high-rise office development in the Cleveland Park area. This area has been designated a D.C. and National Register historic district and in keeping with these designations the current appearance of the district should be maintained. Also, the Comprehensive Plan states the area should remain a "low-density, local neighborhood center".

Please adopt the Cleveland Park Historical Society position to limit PUDs to 40 feet and 2.0 FAR in order to protect our existing commercial historic buildings.

Thank you.

Sincerely,

Harriett M. Lewis
