ZONING COMMISSION

CASE No. 86-26

EXHIBIT No. 487

Dear Ms. Bennett

As a resident of Cleveland
Park I hope very much that
you and your Commission will
endeavour to limit RUD high-rise
office development in this
neighborhood. My husband and
I have lived here for thirty
years and we are alarmed
and dismayed by the change
that suddenly seem to be
taking place.

May I remind you that
the Comprehensive Plan recommends
R-2 C-2

that Cleveland Park remain
a low-density, local neighborhood
center.

Sincerely
Jennifer Hamilton
