case 86-26

Dear Members:

I hope you will be able to limit the Cleveland Park business district bldg height zoning to 40 feet or less and that Planned Unit Developments be held to the same limitation.

I have lived in this area for some 20+ years, and it gets more & more congested with fewer & fewer amenities.

I also wish that you exert some control over the number of restaurants & food carry out businesses. They are crowding out other types of stores.

I have just counted some 24 restaurants & food carry-out establishments between Macomb St. & Porter St. in this strip of Connecticut Ave. N.W.

Thank you,

P.S. Something needs to be done about the Woodly Park area, too.
