Re: Rezoning in Cleveland Park

Dear Ms. Bennett:

The Comprehensive Plan for the Cleveland Park Historic District states that this area should permanently be a "low-density, local neighborhood" area. In view of the greatly increased traffic, parking and pollution problems, I earnestly request that PUD high-rise office developments be made strictly in accordance with the Cleveland Park Historical Society position that PUDs be limited to 40 feet and 2.0 FAR so that our existing commercial historic buildings will be protected.

Very truly yours,

Edwin D. Johnson
