Re: Case No. 86-26, Cleveland Park Overlay Zone PUD Guidelines.

Dear Ms. Bennett:

We in LeDroit Park are extremely interested in the Cleveland Park Zoning Case, because of the ramifications to LeDroit Park Historic District, as well as other Washington neighborhoods.

Case No. 86-26 comes at an especially critical time, as we attempt to respond to Howard University's Master Campus Plan. We were forced to address the PUDs and the Reduction in Far in Howard University's Master Campus Plan within the current zoning structure.

We, therefore support the position of Cleveland Park Historical Society in requesting the Zoning Commission establish PUD quidelines.
