Maybelle Taylor Bennett,
Chair, D.C. Zoning Commission,
1350 Pennsylvania Avenue, N.W.,
Washington, D. C. 20004.

Dear Maybelle Taylor Bennett:-

Please, we have enough problems
around Cleveland Park area - traffic,
crowds, and filth - without adding
more high rises within our small
long term inhabitants.

I am all for limiting Commercial
Development or anything that adds
more conjection to the Cleveland
Park area.

Yours truly,

I am duplicating my enclosed letter
for a close friend of mine who is
almost blind. She agrees with all I
have commented upon.
