Lindsley Williams
Chairman
The Zoning Commission
The District Bldg.
Room 11
Washington, DC 20004

Dear Chairman Williams:

I am a resident of Woodley
Park and wanted to voice
my opinion on zoning on
Connecticut Avenue. I love
the neighborhood and hope
that you will do all that
you can to save it from
redevelopment schemes that
force out neighborhood stores.

The closing of the Cleveland
Park Safeway will cause
many people in the neighbor-
hood extreme hardship. Please
do what you can to make
locating in the District a
viable alternative for super-
markets.
