Gentlemen:

This in response to an item in the NORTHWEST CURRENT concerning the new proposal for Wisconsin, Newark and Macomb Area.

The area between Massachusetts Avenue and Friendship Heights does not need any more movie theatres or fast food businesses. There are now between 15 and 20 movie theatres on Wisc. Ave. alone, showing nothing but trash, murder, rape, and anything else that is degrading. As to fast food houses, the Tenley Circle area has around five. What is needed is a cafeteria to replace the cafeteria at Friendship.

All the developers can think of is the God of gold. The D.C. does not need any more office monstrosities on Wisc. Avenue like the one at 4000 Wisc.

Yours truly

M. Thelma Myers
