Dear Mr. Curry,

As the owner of 1608 Que Street and near by neighbor of 1622 Que Street I wish to express my opinion regarding the variance asked to place an ice cream and pastry store there.

Unfortunately we have almost daily picking up & cleaning to do in our front yard as a result of the ~~parking~~ ZONING COMMISSION parlor near the corner

CASE No. 86-26
EXHIBIT No. 571

The infringement on a residential area of another food serving place only brings in more people and more "throw aways". We therefore are against the use of the property at 1622 Que st.

for anything dealing with food, such as a Pastry Shop.
