Re: Closing of the Cleveland Park Safeway

Dear Mr. Williams:

I am one of the older residents of Cleveland Park who finds themself with a serious problem with the closing of our area grocery store.

This has always been a marvelous community in which to grow old because all the basic services have been so readily available. This entire concept will be lost if the most basic of these basic services, food shopping, is taken away.

Somehow or other we need to be protected against redevelopment schemes which are forcing our area businesses to move. I sincerely hope your Commission can in someway give us this protection.

Sincerely,

  
Carolyn L. Morgan
