Dear Mr. Williams:

I am writing to express my profound concern regarding the announced closing of the Cleveland Park (D.C.) Safeway store in the 3400 block of Connecticut Avenue, N.W.

This store has served the residents of the Cleveland Park area for many years. Many elderly and other disabled persons rely desperately on this Safeway store. Our neighborhood needs your help to keep this Safeway and other businesses and services that serve Cleveland Park and other D. C. neighborhoods. The closing of this Safeway has profound implications for the many citizens who live - or who might one day choose to reside - in our neighborhood.

For both now and the future --- it is imperative that the District government and the Zoning Commission take decisive action to pass and enforce zoning laws that restrict large scale commercial development which displaces those smaller businesses that are the lifeline of our city's many neighborhoods.

Thank you for your support.

Sincerely,

Donald & Judith M. Patrick

Lindsley Williams, Chairman
The Zoning Commission
The District Building, Room 11
Washington, D.C. 20004

Dear Mr. Williams:

I am writing to express my profound concern regarding the announced closing of the Cleveland Park (D.C.) Safeway store in the 3400 block of Connecticut Avenue, N.W.

This store has served the residents of the Cleveland Park area for many years. Many elderly and other disabled persons rely desperately on this Safeway store. Our neighborhood needs your help to keep this Safeway and other businesses and services that serve Cleveland Park and other D. C. neighborhoods. The closing of this Safeway has profound implications for the many citizens who live - or who might one day choose to reside - in our neighborhood.

For both now and the future --- it is imperative that the District government and the Zoning Commission take decisive action to pass and enforce zoning laws that restrict large scale commercial development which displaces those smaller businesses that are the lifeline of our city's many neighborhoods.

Thank you for your support.

Sincerely,

Sincerely,

Helen T. Allen (Mrs. L. C.)

As one of the elderly (92 years old) I can still walk to the nearby Cleveland Park Safeway, but crossing streets, boarding buses etc., present a real problem and the loss of our only source of supply a very great hardship.

Dear Mr. Williams:

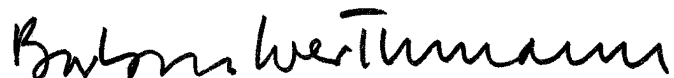

I am writing to express my profound concern regarding the announced closing of the Cleveland Park (D.C.) Safeway store in the 3400 block of Connecticut Avenue, N.W.

This store has served the residents of the Cleveland Park area for many years. Many elderly and other disabled persons rely desperately on this Safeway store. Our neighborhood needs your help to keep this Safeway and other businesses and services that serve Cleveland Park and other D. C. neighborhoods. The closing of this Safeway has profound implications for the many citizens who live - or who might one day choose to reside - in our neighborhood.

For both now and the future --- it is imperative that the District government and the Zoning Commission take decisive action to pass and enforce zoning laws that restrict large scale commercial development which displaces those smaller businesses that are the lifeline of our city's many neighborhoods.

Thank you for your support.

Sincerely,

Dear Mr. Williams:

I am writing to express my profound concern regarding the announced closing of the Cleveland Park (D.C.) Safeway store in the 3400 block of Connecticut Avenue, N.W.

This store has served the residents of the Cleveland Park area for many years. Many elderly and other disabled persons rely desperately on this Safeway store. Our neighborhood needs your help to keep this Safeway and other businesses and services that serve Cleveland Park and other D. C. neighborhoods. The closing of this Safeway has profound implications for the many citizens who live - or who might one day choose to reside - in our neighborhood.

For both now and the future --- it is imperative that the District government and the Zoning Commission take decisive action to pass and enforce zoning laws that restrict large scale commercial development which displaces those smaller businesses that are the lifeline of our city's many neighborhoods.

Thank you for your support.

Sincerely,

How much your help would be appreciated in this matter, Mr. Williams, I can "boot" it to Van Ness for my mother. But what about all these elderly and handicapped people who have such a hard time finding for themselves? They have to eat!
