Re: Z.C. Case No. 87-23A: Modification of The George Washington University (the “**University**”) to the District of Columbia Zoning Commission for a Modification with Hearing of the Planned Unit Development Approved in Z.C. Order No. 563 (the “**Modification**”) for 2001 Pennsylvania Avenue, NW (Square 78, Lot 853) (the “**Property**”) – Withdrawal of Opposition and Motion to Intervene

Dear Chairperson Hood and Members of the Commission:

On November 21, 2025, the Arts Club of Washington, D.C. (the “**Arts Club**”) submitted a letter in opposition and motion to intervene in the above-referenced proceeding. The Arts Club hereby seeks to withdraw its opposition to the Modification.

The University and the Arts Club have worked together in good faith over the past several months to address and resolve outstanding concerns that the Arts Club had with the Modification. The Arts Club is pleased to report that the University has been responsive to the Arts Club’s concerns and questions. Accordingly, the Arts Club now seeks to withdraw its opposition to the Project and no longer seeks to intervene in the Modification.

Thank you for your consideration of this request and these comments regarding the Project.

Sincerely,

Arts Club of Washington, D.C.,
a District of Columbia non-profit corporation
