RE: Zoning Commission Case No. 88-34A
PUD Modification for Children's National Medical Center
Lot 801, Square 3129

Dear Members of the Zoning Commission:

Washington Hospital Center submits this letter to express its support for the proposed modification to the approved Planned Unit Development for the Children's National Medical Center located in Lot 801, Square 3129. Washington Hospital Center understands that the new facilities proposed by Children's National Medical Center will enhance the care given to the patient at Children's. The development will be consistent with the existing facilities and previous approvals. Washington Hospital Center recognizes the important services that Children's National Medical Center contributes to the community and the exceptional high-level of care provided to infants and children. The proposed improvements are vital to the continuation of their mission to service this community.

We thank you for your consideration of our comments, as the primary land owner in the area near Children's National Medical Center. We look forward to the Commission's approval of this important project for the medical community.

Sincerely,

James F. Caldas
President
