Zoning Commission of D.C.
1350 Pennsylvania Avenue, N.W.
Washington, D.C. 20004

Dear Chairman Boasberg and Members of the Commission:

At the January 28 meeting, the Executive Committee of Friendship-Tenleytown Citizens Association voted unanimously to endorse the petition seeking a rezoning of Squares 1731 and 1770 which are zoned C-3-A, and those parts of Squares 1729, 1730 and 1778 which fall within C-3-A zoning districts. The original downzoning petition was filed by the Tenley and Cleveland Park Emergency Committee (TACPEC), Citizens for the Preservation of Residential Neighborhoods, and Advisory Neighborhood Commission 3-E.

Downzoning to C-2-A is requested in order to be consistent with the requirements of the Comprehensive Plan, as amended in 1989 by D.C. Law 8-129.

Thank you for considering this very important issue which will be the key factor in maintaining the residential character of our neighborhood.

With best wishes,

Marvin Tievsky
