Re: Z.C. Case No. 91-2
(Map-Petition @ Tenleytown)

On February 11, 1991, the Zoning Commission considered a letter dated January 14, 1991, from Michael Wolf, on behalf of the Preservation of Residential Neighborhoods, Tenley and Cleveland Park Emergency Committee, and ANC-3E. The letter petitioned the Zoning Commission to rezone from C-3-A to C-2-A various lots in Square 1729-1731, 1770 and 1778 near the Tenleytown Metrorail Station.

After Commission discussion and hearing clarifying comments from you, the Chairman requested the Office of Planning (OP) to provide the Commission information at its March 11, 1991 meeting that identifies how OP would procedurally approach a review of the case.
