

P E T I T I O N

WE the undersigned residents of the Near Northeast Community, Advisory Neighborhood Commission 6A - 02, do hereby acknowledge that the following conditions exist in our neighborhood and thereby petition the District of Columbia Government to cease the operation of L and G Industries located at 1140 3rd Street, N. E. immediately and

WHEREAS all the residents of ANC 6A-02 were not informed by the Department of Consumer and Regulatory Affairs and/or L & G Industries that their operation was for the sole purpose of transferring waste, garbage, trash and chemicals

WHEREAS L & G Industries' purpose is to operate a "Trash Transfer Facility" located at 1140 3rd Street, N. E.

WHEREAS L & G Industries purpose of operating a "Trash Transfer Facility" is within 25 - 75 feet of residential units

WHEREAS trucks operating in and out of L & G Industries " Trash Transfer Facility" weighing 32,000 LBS travel throughout our residential streets where signs restrict such travel

WHEREAS these trucks that travel daily throughout our residential streets may cause structural damage to existing homes and buildings due to excessive tonnage

WHEREAS unknown liquids are spilled onto neighborhood streets by these trucks operating in and out of this facility producing odors and hazardous roadways in our community

WHEREAS noxious fumes from L & G Industries Facility and trucking operations in and out of this facility have produced an impact on the health, safety and well being of our community

WHEREAS an increase in rat population has also been observed not only at night but during light hours

WHEREAS the L & G Industries facility may create a negative impact on the financial assessment of our homes significantly causing devaluation of properties

we request immediate action regarding the above adverse conditions.

WE the undersigned residents of the Near Northeast Community, Advisory Neighborhood Commission 6A - 02, do hereby acknowledge that the following conditions exist in our neighborhood and thereby petition the District of Columbia Government to cease the operation of L and G Industries located at 1140 3rd Street, N. E. immediately and

WHEREAS all the residents of ANC 6A-02 were not informed by the Department of Consumer and Regulatory Affairs and/or L & G Industries that their operation was for the sole purpose of transferring waste, garbage, trash and chemicals

WHEREAS L & G Industries' purpose is to operate a "Trash Transfer Facility" located at 1140 3rd Street, N. E.

WHEREAS L & G Industries purpose of operating a "Trash Transfer Facility" is within 25 - 75 feet of residential units

WHEREAS trucks operating in and out of L & G Industries " Trash Transfer Facility" weighing 32,000 LBS travel throughout our residential streets where signs restrict such travel

WHEREAS these trucks that travel daily throughout our residential streets may cause structural damage to existing homes and buildings due to excessive tonnage

WHEREAS unknown liquids are spilled onto neighborhood streets by these trucks operating in and out of this facility producing odors and hazardous roadways in our community

WHEREAS noxious fumes from L & G Industries Facility and trucking operations in and out of this facility have produced an impact on the health, safety and well being of our community

WHEREAS an increase in rat population has also been observed not only at night but during light hours

WHEREAS the L & G Industries facility may create a negative impact on the financial assessment of our homes significantly causing devaluation of properties

we request immediate action regarding the above adverse conditions.

WHEREAS all the residents of ANC 6A-02 were not informed by the Department of Consumer and Regulatory Affairs and/or L & G Industries that their operation was for the sole purpose of transferring waste, garbage, trash and chemicals

WHEREAS L & G Industries' purpose is to operate a "Trash Transfer Facility" located at 1140 3rd Street, N. E.

WHEREAS L & G Industries purpose of operating a "Trash Transfer Facility" is within 25 - 75 feet of residential units

WHEREAS trucks operating in and out of L & G Industries "Trash Transfer Facility" weighing 32,000 LBS travel throughout our residential streets where signs restrict such travel

WHEREAS these trucks that travel daily throughout our residential streets may cause structural damage to existing homes and buildings due to excessive tonnage

WHEREAS unknown liquids are spilled onto neighborhood streets by these trucks operating in and out of this facility producing odors and hazardous roadways in our community

WHEREAS noxious fumes from L & G Industries Facility and trucking operations in and out of this facility have produced an impact on the health, safety and well being of our community

WHEREAS an increase in rat population has also been observed not only at night but during light hours

WHEREAS the L & G Industries facility may create a negative impact on the financial assessment of our homes significantly causing devaluation of properties

we request immediate action regarding the above adverse conditions.

P E T I T I O N

WE the undersigned residents of the Near Northeast Community, Advisory Neighborhood Commission 6A - 02, do hereby acknowledge that the following conditions exist in our neighborhood and thereby petition the District of Columbia Government to cease the operation of L and G Industries located at 1140 3rd Street, N. E. immediately and

WHEREAS all the residents of ANC 6A-02 were not informed by the Department of Consumer and Regulatory Affairs and/or L & G Industries that their operation was for the sole purpose of transferring waste, garbage, trash and chemicals

WHEREAS L & G Industries' purpose is to operate a "Trash Transfer Facility" located at 1140 3rd Street, N. E.

WHEREAS L & G Industries purpose of operating a "Trash Transfer Facility" is within 25 - 75 feet of residential units

WHEREAS trucks operating in and out of L & G Industries "Trash Transfer Facility" weighing 32,000 LBS travel throughout our residential streets where signs restrict such travel

WHEREAS these trucks that travel daily throughout our residential streets may cause structural damage to existing homes and buildings due to excessive tonnage

WHEREAS unknown liquids are spilled onto neighborhood streets by these trucks operating in and out of this facility producing odors and hazardous roadways in our community

WHEREAS noxious fumes from L & G Industries Facility and trucking operations in and out of this facility have produced an impact on the health, safety and well being of our community

WHEREAS an increase in rat population has also been observed not only at night but during light hours

WHEREAS the L & G Industries facility may create a negative impact on the financial assessment of our homes significantly causing devaluation of properties

we request immediate action regarding the above adverse conditions.
