Re: Rezoning Case #95-4
(Children's Museum)

Dear Ms. Dobbins:

Upon recommendation of the ANC 6A Zoning and Licensing Committee, (with a quorum and advance community notice) November 8, 1995, voting 4 - 0 voiced support for a change in zoning for the block of the Children's Museum, Square 751, so that the portions of Square 751 fronting on 2nd Street NE would be converted to C-3-B and the balance of Square 751 to C-3-A. This would balance the needs of the neighborhood (as opposed to SP-1 and C-2-B proposed) in terms of transition from the railroad corridor.

The full Commission voted 10 to 0 to support approval of the change on December 7, 1995.

Sincerely,

Gregory K. Mitchell
Chair, ANC 6A
