ZONING CASE 95-4
Nov. 9, 1995

Nov. 9, 1995

DEC 11 10:58
DISTRICT

To whom it may concern:

I am writing on the behalf of the residents living in proximity to the trash recycling that is operating in the U-Line Arena.

I am a member of a woodworking co-operative at 1124 Congress St. NE, directly behind the arena. We have been negatively affected by the re-cycling operation. We have had a persistent odor problem, I also a problem with dust.

We concur w/ the area residents in their view that the neighborhood has been adversely affected by the re-cycling operation. I hope that the city can take steps to help solve the problem.

Sincerely
