Re: Case No. 95-4

Dear Zoning Director:

In response to the Public Hearing set for Monday, September 25, 1995 concerning Case No. 95-4, I would like to personally request that this hearing be postponed (or rescheduled) due to the fact that I am a significant property holder within the boundary of the rezoning area and September 25 is a Jewish holiday and I will be unable to attend. Because it is of major importance for me to personally be present at this hearing, I respectfully request that this hearing be reschedule.

Sincerely,

Ronald J. Cohen, General Partner
