Attention: Director of Zoning Office

Re: 95-4 Case No.

Please make corrections on the reference letter re the September 25, 1995 public hearing notice:

Square 748, lots 800 and 807 are currently "M" zoning and should ~~not~~ be in C-2-A but in C-M-3 as they were in the original notice.

Square 748, lots 49 and 50 as listed in the reference letter under C-M-3 (and currently "M" zoning) should be listed now as Square 748, lot no. 0822

at about two years ago lots 49 and 50 were consolidated into one lot, no. 0822. It could be confusing as there are no lots 49 & 50. The lot 0822 should rightly be C-M-3.

Many thanks,
Sincerely,

Carl O. Winberg - Trustee.
