Re: Z.C. Case No. 01-17MM/93-5F/91-18P
(PUD AGC - 1957 E Street, NW)

Dear Madam Chair and Members of the Commission:

It has come to our attention that the Office of Planning in its November 9, 2001, submission in the above case noted that "The Foggy Bottom Association has not taken a formal position on this case. The Office of Planning understands that the Association will not take a position."

While it is true that the Foggy Bottom Association (FBA) is not a party to the case and has not iterated a position on the case, we wish now to state for the record that the Foggy Bottom Association concurs with and supports ANC-2A's Resolution No. 01-1A adopted November 5, 2001, and the report attached thereto, and asks that for the reasons stated therein, the Zoning Commission deny the above-stated application.

This position was approved by a vote of the FBA Board taken this evening, November 15, 2001.

Respectfully submitted,

Jacqueline Lemire
President
