FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 97-16A (The Lowell School to further Modify an Approved Planned Unit Development at 1640 Kalmia Road, NW (Square 2745F, Lots 815 and 817))

THIS CASE IS OF INTEREST TO ANC 4A

On December 14, 2009, the Office of Zoning received an application from the Lowell School (the "Applicant" or "School"). The Applicant is requesting approval to modify a planned unit development ("PUD"). The Office of Planning provided its report on April 2, 2010, and the case was set down for hearing on April 12, 2010. The Applicant provided its prehearing statement on April 23, 2010.

The property that is the subject of this application consists of approximately 361,378 square feet of land area and is located at 1640 Kalmia Road, NW (Square 2745F, Lots 815, 817). The subject property is zoned R-1-A.

The Applicant proposes to expand the School to include 7th and 8th grades, increase the number of faculty and staff to 100 and to renovate and further develop the campus. It does not propose to increase the cap on student enrollment. In addition to expanding its services and increasing the faculty and staff cap, the School is proposing two phases of physical improvements to its campus. The first phase includes the renovation of and addition to the Parkside building along 17th Street to accommodate the 7th and 8th grade classrooms (in addition to the existing 6th grade classrooms). The addition will include computer labs, art studios, a theater, library and gathering places.

The second phase will include the razing of an existing building, Fraser Hall, and replacing it with a below-grade garage with recreational space on top of it, at grade. At the same time, the School will expand its gymnasium. In all, the development results in a net reduction of approximately 7,305 square feet of development and a net gain of 46 parking spaces. The resulting floor area ratio, once the proposed work is completed, will be .34 and the lot occupancy will be 15%.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.
