Re: Case No. 98-14C - The Solar Building

Dear Ms. Kress and Members of the Commission:

I am the principal of Ross Elementary School, which is located at 1730 R Street, N.W. within the boundaries of Advisory Neighborhood Commission 2B. I am extremely pleased that Ross was selected as a recipient of $100,000 in funds as part of the project amenities proposed in connection with the above referenced PUD.

In connection with the proposed PUD, the applicant has proposed a $100,000 contribution that would be used to upgrade our school library. The library itself would receive a much needed renovation. The remaining funds would be used to purchase books, periodicals and other materials that are badly needed to improve our school library.

Please do not hesitate to contact me on (202) 673-7200 if you have any questions.

Yours truly,

Gloria C. Smith
