Washington, D.C. 20001

Members of the Commission:

In response to your request, the National Capital Planning Commission, at its meeting on August 5, 1999, reviewed the consolidated Planned Unit Development proposed for the Solar Building, Lots 59 and 842 in Square 184, located at 1000-1010 16th Street, NW. The Commission concluded that the revised plans for the proposed PUD presented at its August 5 meeting by Wilkes, Artis, Hedrick & Lane on behalf of the PUD applicant, which we are transmitting to you (NCPC Map File No. 20.00(06.00)-40680), would not be adverse to the federal interest and would not be inconsistent with the Comprehensive Plan for the National Capital.

Sincerely,

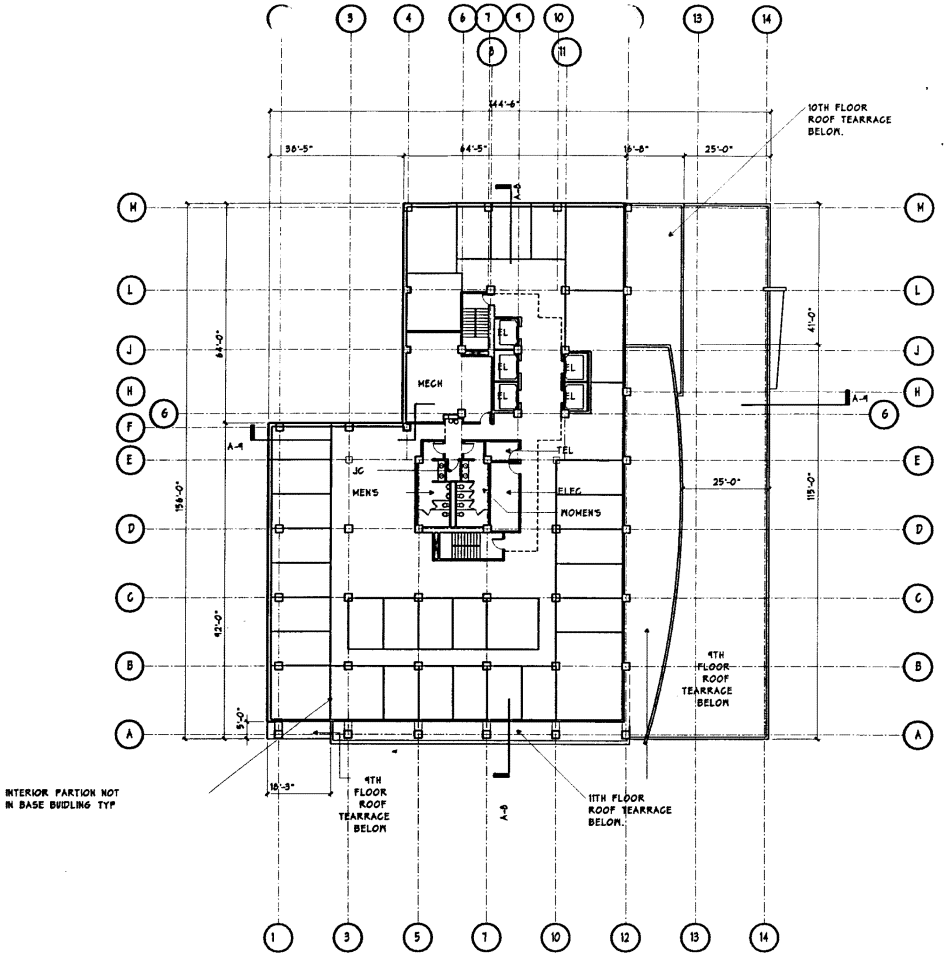

for Reginald W. Griffith
Executive Director
