Mr. Anthony J. Hood  
Chairman, Zoning Commission  
441 4th Street, N. W.  
Suite 210  
Washington, D. C. 20001

Dear Mr. Hood:

I am writing in support of Premium Distributors application for the warehouse project Premium has proposed to build in Fort Lincoln. The warehouse project will be a great boost to the neighborhood and will add tremendously to its overall growth and economic development. The project also has the support of other community leaders, residents and businesses.

Premium Distributors has been a mainstay in the Ward 5 community at its present location on New York Avenue for numerous years. During these years, Premium has contributed significantly to the community's overall growth through employment, taxes and community outreach. The proposed facility will enable Premium to expand thus creating more jobs and adding to the overall District of Columbia's tax base.

Your favorable consideration of this project will be deeply appreciated by the Ward 5 community.

Sincerely,

Vincent B. Orange, Sr.  
Councilmember, Ward 5
