**Re: Z.C. Case No. 16-18H: Georgetown University – Application for Amendment to and Further Processing of the 2017 Hilltop Campus Plan (“Application”) – Addition of Field Lights to Shaw Field (Portion of Lot 833 in Square 1321) (“Property”)**

Dear Chairperson Hood and Members of the Commission:

On behalf of the Applicant, Georgetown University (“**Georgetown**” or the “**University**”), enclosed please find an application for zoning relief to amend the 2017-2036 Georgetown University Campus Plan (the “**Campus Plan**”) to authorize amendment of the Campus Plan to allow field lighting on Shaw Field and further processing of the Campus Plan to install the field lights (the amendments and further processing, collectively, the “**Application**”)

The application was filed electronically on IZIS on November 4, 2024. The application package filed online meets the filing requirements detailed in Chapter 3 of Subtitle Z of the Zoning Regulations and includes the completed application signature form, an authorization from the University to file the application, a copy of the notice of intent to file the application that was mailed to surrounding property owners and parties (with certification of mailing and list of property owners), updated Campus Plan exhibits reflecting the amendment, and an analysis of the Application’s consistency with the Comprehensive Plan.

Preprinted labels for the surrounding property owners<sup>1</sup> and parties and a check for \$9,750, which represents the filing fee for this matter, will be delivered to the Office of Zoning by hand delivery.

Please feel free to contact David at (202) 721-1137 if you have any questions regarding the above. We look forward to the Commission's consideration of this application at an upcoming public hearing.

Respectfully Submitted,
