On behalf of Howard University, we are preparing an application (“Application”) to be submitted to the D.C. The purpose of the extraction is to facilitate the renovation of the hospital in accordance with very tight and critical funding deadlines. The Application will be filed within not less than 45 days from this notice. Once filed, an additional notice of the public hearing to be scheduled on the application will be provided to you. In the interim, do not hesitate to contact Teresa Edmonson, Manager, HU Community Association (202) 250-2709 (o); (301)323-8116 (cell) or teresa.edmonson@howard.edu for additional information or questions. Finally, the University will be providing more details regarding this proposal at meetings of the affected ANCs and community organizations in the coming months.

Sincerely,
