Re: ZC Case No. 11-15, Application of the Board of Trustees and President of Howard University ("Howard University") for Special Exception Review and Approval of a New Central Campus Plan; Post Hearing Submission; **Corrected Post Hearing Submission Campus Boundary Maps**

Dear Chairman Hood:

Please substitute the two attached, corrected post hearing campus plan boundary maps for the two submitted with our December 12, 2011 post hearing submission. In the original submission, the printer failed to print sections of the black boundary line around portions of the squares located south of Barry Place and west of Georgia Avenue, N.W. This error has been corrected in the attached maps. We note that the submitted boundary maps do not differ in substance from the boundaries previously presented to the community or the Commission in our prehearing materials and hearing presentation.

Thank you in advance for your consideration.

Sincerely,

Cynthia A. Giordano
