7. Errata sheet correcting certain errors in Campus Plan loose-leaf binder previously submitted to the Commission.
8. Additional Surveyor's plats for properties not previously submitted with the original Campus Plan application.

As indicated in our original Campus Plan submission, simultaneously with this submission, the University submitted an application for approval of two new residence halls located at 4<sup>th</sup> and College Streets, N.W. and 4<sup>th</sup> and Bryant Streets, N.W. Expedient consideration and approval of the Campus Plan is critical to the University's ability to secure all of the necessary approvals to move forward with and finance these projects with time-sensitive bond funds.

Thank-you in advance for your assistance. We look forward to presenting the University's Campus Plan at an upcoming public hearing.

Sincerely,

Cynthia A. Giordano
