In Re: Application of Howard University – Campus Plan 2011

Application No.: 11-15

AFFIDAVIT OF POSTING

DISTRICT OF COLUMBIA, ss:

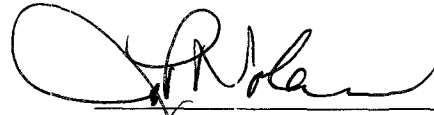

Jennifer Pugh-Nolan, being first duly sworn, does hereby depose and say that:

I, Jennifer Pugh-Nolan, on November 18, 2011, between the hours of 10:30 a.m. and 3:30 p.m., (“November 18 Postings”) and on November 22, 2011, between the hours of 1:00 p.m. and 2:15 p.m., (“November 22 Postings”) caused 28 Zoning Notices furnished by the Office of Zoning to be posted on the property of Howard University, in plain view of the public on the street frontages set forth in the attached Exhibit A, Howard University Zoning Notice Postings. At the time of the November 18 Postings, I was assisted by Mr. Minocher Vania, lead carpenter, and Mr. Dozier Johnson, carpenter, from the Howard University Services Department. I was assisted again by Mr. Vania at the time of the November 22 Postings.

Further, I caused Mr. Vania to check, at intervals of no more than 5 days each, the condition of all of the above-referenced Postings and to re-post and/or replace those Postings that had fallen and/or that had been removed, defaced, damaged, or destroyed. Such periodic checks occurred on November 23, 2011 and at such times as Mr. Vania and/or his assistants noticed that such re-posting or replacement was required. Following the November 18 and November 22 Postings, a total of 22 of the original 28 Zoning Notices were re-posted, with each of those having been completely replaced (please see the Attached Exhibit B – *Replacements & Re-Postings*).
