RE: Case No. BZA12799A – 6201 3rd Street, NW – Request for a Modification of Consequence

Dear Board of Zoning Adjustment:

We submit this **letter of opposition** to the Request for Modification filed by the VIP Room.

Our family of four lives two doors away from the VIP Room. We wholeheartedly support VIP Room continuing to be operated by the Sampson family in the same manner that it has successfully operated for almost 40 years under the conditions imposed by Use Variance Application 12799.

Sincerely,

Elisabeth Golub

Christopher Valvardi
