RE: Bright Beginnings Zoning Adjustment

Dear Members of the Board,

At its regular meeting on March 3, 2021, Advisory Neighborhood Commission (“ANC”) 8C considered the above-referenced matter. With 6 of the 7 commissioners in attendance, a quorum at a duly-noticed public meeting, ANC 8C voted to approve the following zoning adjustment for Bright Beginnings, Inc located at 3418 4th St SE.:

- Service children Six weeks - Five years of age
- Maximum capacity for children three - five-years of age will be 32
- Maximum capacity for children six weeks - two years and 364 days old will be 118
- Maximum capacity for staff will be 60 for a total maximum capacity of 210

Bright Beginnings, Inc. has operated without incident with respect to parking, traffic, noise, number of children, or any other potential concern. Bright Beginnings, Inc. provides a vital service to the working families in our community, particularly the essential workers during this public health emergency, and we urge the Board to grant the application. If you have any questions, please feel free to contact me at 202 455-6346. Thank you for your time.

Respectfully,

Salim Adofo
