Letter of Record

Date: December 20, 2017

To: DC Board of Zoning Adjustment
441 4th Street, NW
Ste. 2QO-S
Washington, DC 20001

Regarding: Case# 19567
Location: 1501 9th Street NW
Lot & Square: Lot 0033 in Square 0397
Zone: MU-4

To Whom it may concern:

We formally request a postponement of our January 10th BZA hearing date. We'll be heavily modifying our application to no longer include a request for an Area Variance and instead will be asking for an additional Special Excepting to modify the development standards of Subtitle G, Section 402.2 and allowed by Subsection G, Section 409. We need more time to get our updated drawings and documents together.

We request to be added to the February hearing docket.

Thank you for your help.

Sincerely,

George Bott, Authorized agent for the Property Owner: Aung Myint
