Re: BZA application No. 19583

Dear Members of the Board:

The Applicant in the above-referenced application requests to substitute the attached project drawings for those filed in the record at Exhibits 34A1 - 34A3. There have been no changes to the design of the building. The only revision reflected in these drawings is to correct the number of guest rooms provided (235 rooms instead of 231). This change has no effect on the pending application but is offered for purposes of consistency.

Thank you in advance for your consideration of these materials.

Very truly yours,

Dennis R. Hughes
