Dear Chairman Hill and Members of the Board:

On August 7, 2017 the Applicant filed the Application seeking special exception relief for a project (the “**Project**”) to develop a consolidated private school at the Campus, constructing a new lower and middle school facility to accompany the existing high school. The Applicant is seeking such special exception for a private school in a residential zone district pursuant to Subtitle U, § 203.1(l) of the District’s Zoning Regulations. A public hearing on the Project is currently scheduled for October 25, 2017.

The Applicant hereby requests that the public hearing be postponed until November 29, 2017 in order to allow the Applicant and the community additional time to work together to resolve outstanding issues.

If you have any questions, please do not hesitate to contact the undersigned at (202) 721-1106. Thank you for your attention to this request.

Sincerely,

Allison C. Prince
