Re: BZA Appeal No. 19613 – 1844 Monroe Street, NW
Appellant's Request for Postponement

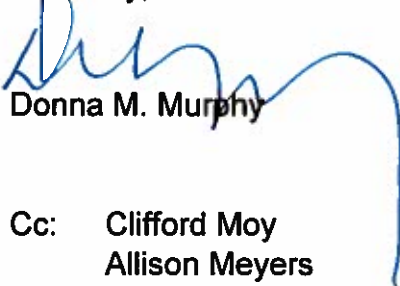

Dear Members of the Board:

On November 15, 2017, my husband, Keenan Keller, and I requested Intervenor status in this matter, as the owners of the immediately adjacent property who are directly impacted by the side-yard requirement at issue in this appeal. We have observed on the docket for this matter that the Appellant has requested a postponement of the scheduled November 29, 2017, hearing date until January 24, 2018. We do not object to postponement of the hearing; however, we would request that the matter be set for a date other than January 24, 2018, due to a pre-existing conflict with planned business travel on that date.

Based on a recommendation from Mr. Stephen Cochran in the Office of Planning, we are proposing alternative dates for this hearing. Specifically, we would request that the hearing be postponed until January 31, February 14, or February 28, 2018. Also based on Mr. Cochran's recommendation, I am copying Mr. Moy and Ms. Meyers on this letter. If there are any questions, we can be contacted at murphy.keller@verizon.net.

Thank you for your consideration of this request.

Sincerely,

Donna M. Murphy
