Re: BZA Application No. 19633-A; Updated Relief- Modification of Significant; 3629 T Street, NW.

Dear Members of the Board:

Enclosed is a statement in support of the Modification of Significance, a list of owners within a 200 ft. radius of the Property, and a Certificate of Service. The Applicant originally requested a minor modification, as the underlying facts of the case have not changed. However, out of an abundance of caution and after discussions with the Office of Zoning and Office of Planning, the Applicant is now requesting a modification of significance.

Sincerely,

Alex Wilson
