re: BZA Application #19650

To Whom it May Concern:

Thank you for allowing me to weigh in on City Corner's BZA Application #19650. Since I cannot appear in person and own a home within 200 feet of the business, I would like this letter to be made as part of the record.

Since they opened, City Corner's operators have been a positive presence in the neighborhood. They have provided high-quality products with a friendly attitude for these few years. They operate a fine business and keep their corner of the neighborhood clean of debris.

As a long-time DC resident, let the record reflect that I support their application for a zoning change of their business. The area is growing and will support another business selling beer and wine.

Thank you for your consideration.
