BZA Application #19650

To Whom It May Concern:

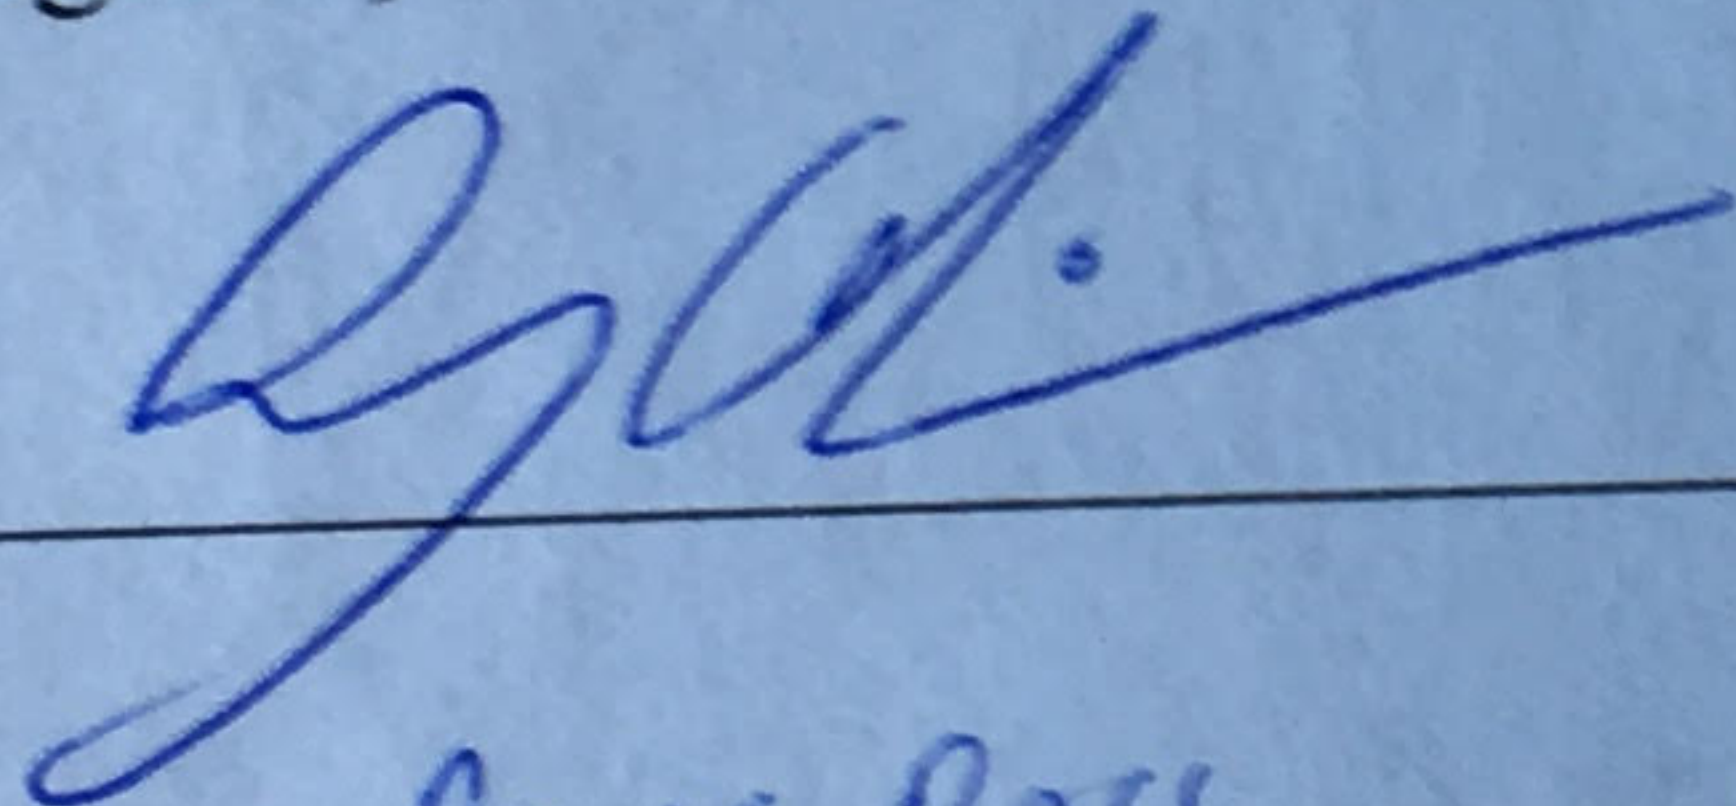

I Anya C. Ross, have reviewed the above referenced application and support City Corner Market's request for a corner store special exception to sell off-premises beer and wine.

I live in the neighborhood of 2601 Sherman Avenue and I am a frequent patron of City Corner Market. The establishment and the business owners have had a positive impact on the neighborhood. The grocery store has provided me with convenient access to various items, including food, drinks, and household goods.

Additionally, granting City Corner Market's application for a special exception to sell beer and wine will not adversely impact the neighborhood. As such, I enthusiastically support City Corner Market's BZA application.

Thank you for your consideration.

Best regards,
