Re: BZA Case 19659 (FSMB) – Neighbor letter in opposition

Dear Sir,

I am a resident of the Sheridan Kalorama neighborhood and I write in opposition to the Federation of State Medical Board's (FSMB) application for zoning relief before the BZA.

I am concerned that an office use of the building at 2118 Leroy Pl. NW will undermine the residential character of the neighborhood, and set a negative precedent for the reuse of the other buildings in our community. Further, I suspect that effects of the use will disturb the quality of life that we residents have worked hard to maintain over the years.

Thank you for your consideration.

Karen and Alan, the opposition is 100% so far to the sale of the Colombian chancery to the Federation of State Medical Boards.

I am attaching the simple letter of opposition. You can give me permission in an email to sign it for you.

Thanks Marie
