RE: BZA# 19667, 1108 5th Street NE

Dear Director Bardin,

BZA#19667, 1108 5th Street NE, involves the construction of a rear addition. The applicant needs special exception relief because the addition will extend more than 10 feet beyond neighboring properties. The CHRS Zoning Committee heard this case at its meeting on December 14, 2017, and voted to support the application.

Respectfully,

Gary M. Peterson, Chair  
Capitol Hill Restoration Society  
Zoning Committee
