

The subject property (1948 2<sup>nd</sup> St.) is the middle rowhouse with the red trim beneath the 2<sup>nd</sup> story windows. The house to its left (1946 2<sup>nd</sup> St.) has been renovated in a manner similar to what is proposed for the subject property.

Board of Zoning Adjustment  
District of Columbia  
CASE NO.19680  
EXHIBIT NO.7

View from the west, the subject property is the red-brick structure in the middle of this photograph. The projecting addition to the adjacent property is very similar to what is proposed for the subject property.

View from the northwest, the subject property is in the middle, showing its relationship to the completed two-story addition made to 1946 2<sup>nd</sup> Street and to 1950 2<sup>nd</sup> Street to left of the photograph.
