To: Board of Zoning Adjustment

Re: Zoning Analysis for 128 17th Street N.E.,

Dear Sir or Madam,

In an attempt to contact and discuss my application with the local Advisory Neighborhood Commission (ANC), I have met with ANC 6A commissioners Calvin Ward and Brad Greenfield. Additionally, I've personally mailed a written statement and a brochure showing pictures of the original building and proposed elevations. I am also attending their next Economic Development & Zoning Committee meeting to discuss my project and present my architectural plans to the board.

Additionally, I have met with Mr. Joel Lawson at the Office of Planning (OP) and discussed my application.

I have attached a copy of the letter and brochure to this letter for your use.

Thank you for your consideration.

Best,

Eman Amirian
