**Re: BZA Application No. 19712**  
**Request to Amend Application and Postpone Hearing**

Dear Members of the Board:

The Applicant originally requested special exception relief pursuant to Subtitle U § 320.2. The Applicant is continuing to request special exception relief but is amending the Application to include variance relief from Subtitle U § 320.2(d). An updated self-certification form is included with this request. As will be explained more fully in the Applicant's Prehearing Statement, the Application meets the requirements for variance relief. As the Application is being amended to include variance relief, it will have to be re-noticed and the hearing postponed at least forty (40) days from the date of re-notice. Accordingly, the Applicant is also requesting a postponement of the hearing from May 16, 2018 to June 6, 2018 or the next available hearing date.

Sincerely,

---
