Re: Outreach Statement

Dear Board of Zoning Adjustment

We have discussed our project with Ms. Nancy E. Roth, the Commissioner for the Single Member District (SMD) 4D01.

We also plan to share the proposed design layout with our neighbors in an effort to solicit their support of the improvement we are planning for our business and the community.

We will also attend meetings of our local ANC 4D to explain what we are hoping to accomplish with our proposed application.

Regards,

Trevor Selman
