**Re: Application No. 19751 (MED Developers, LLC) – Request for Postponement**

Dear Chairperson Hill & Members of the Board:

On behalf of the applicant, MED Developers, LLC (the "Applicant"), we respectfully request that the public hearing currently scheduled for June 6, 2018 be postponed until June 27, 2018. After meeting with DDOT on April 27, 2018 and the ANC 3C Planning & Zoning Committee on May 7, 2018, the Applicant requests this postponement to provide sufficient time for the ANC, the community, and DDOT to review the proposed project. The requested additional time will allow the Applicant to more extensively answer questions raised in connection with the operation of the proposed facility.

This request is for good cause, and will not prejudice any parties (there are no additional parties to the case besides the ANC as of the filing of this request). Finally, the ANC has indicated that they would be amenable to postponing the BZA hearing for June 27, 2018.

Thank you for your attention to this matter.

Sincerely,

By: Meridith H. Moldenhauer, Alyssa L. Bigley
