Re: BZA App. No. 19757 – Request that BZA Public Hearing be Held No Earlier than July 3, 2018

Dear Mr. Chairperson and Board Members:

As the adjoining and immediately adjacent neighbor to the property at issue in the above-referenced BZA application, I am writing to ask that the board hold its hearing concerning the application **on or after July 3, 2018.**

The applicant is scheduled to present the development plans and application to the ANC5D on June 12, 2018. *See* Case No. 19757, Exhibit No. 33.

Following the applicant's June 12, 2018 presentation to ANC5D, please allow impacted community members, neighboring property owners and the ANC5D Commissioners a minimum of three weeks to consider the presentation, review the application and continue ongoing dialogue with the applicant.

Thank you for considering this request.

Sincerely,

/s/ Mark Stilp Esq.
